Let's Go Sailing!

At CYC we have returned to our origins of just being a bunch of people who love sailing and racing.

Along the way, we've realized that having a club makes about as much business sense as owning a boat, which is to say that as a traditional business it's not particularly viable. Instead, we have a club to do more together than we can on our own, just like owning a boat allows you to take friends sailing.

With our club, we welcome and connect people who love sailing and we create a platform for members to do things for each other and our community. That's important because sharing our lifestyle can mean a lot to people and their families. Putting on races is a great example of our members doing things together. Racing is the marquee of our club and the pinnacle of our sport.

If you are a member please welcome our guest racers. If you are a future member, please join us in our mission to share the sailing community. Even if you don't happen to own a boat, you can own our yacht club and claim your equal stake and influence in supporting our sailing way of life through our club.

Stuart Burnell
Commodore

Corinthian Yacht Club of Seattle continues to be dedicated, promoting the best sailboat racing in the area. This year our club will focus on bringing sailing back. We're going to make it cool again. We are simplifying the format and structure of CYC racing to attract new members and make it easier to enjoy the sport and recreation we are passionate about.

CYC's clubhouse location, racing venues, community, and staff enable our membership to experience more racing than anyone else in the nation. Our events hope to cover all the various expectations of a premier sailing club. We would like to offer social activities and educational opportunities to enhance the value of our racing program. We encourage all types of sailors to come play!

This is your Yacht club. Please take the time to reflect on what you would like it to be, and help make it happen. As Racing Fleet Captain, I am here to help bring the talents and resources of our membership together and to build our sailing community.

Jon Henderson
Fleet Captain Race

Club Programs

Racing

Corinthian sailors have been racing on Lake Washington at Leschi since our founding in 1945 and on Puget Sound out of Shilshole since our members built our clubhouse in 1969. We have heard that we run more races than any other private club in the country. Corinthian members are passionate about racing.

Evening racing on Lake Washington runs from mid-April through mid-September with J-24s racing on Tuesday and Thistles, San Juan 24s, and Thunderbirds racing on Wednesday. The Lake Fall Regatta follows the evening series for a weekend event out of Leschi. Additional fleets are welcome to form.

Evening racing on Puget Sound runs over the same period with keelboats racing on Wednesday and Star, Laser, Snipe, Tasar, I-14, 505 and other centerboard boats racing on Thursday. We offer the Center Sound Series mid-distances races in March and run several weekend buoy-racing regattas. Over the summer months, we also support casual racing on Friday nights off the breakwater.

Cruising

The Pacific Northwest is a special place to cruise and many of our members take part on cruises organized by volunteers. Over a dozen events are in the works for this year. Members with boats bring them and members without boats ship as crew. Former, current, and perhaps future racers all take part in cruising.

Youth Sailing

We've ramped up our youth sailing with the Sail School providing summertime sailing camp to over 120 juniors in conjunction with Sail Sand Point; parent-directed Sail Team with training, regatta support, and advanced clinics; Family Open Sailing Night to introduce young families to the marine environment; and the welcoming of the Sea Scouts aboard the *S/V Yankee Clipper* into our club.

Education

Our members love to learn and share. Each year we run dozens of education events including the Rookie Rally (learn how to crew and race, free to members), pre-race strategy chalk talks, cruising presentations, first aid, US Sailing courses (race management, judging, safe powerboat handling), markset driver training, women's sailing clinic, and even volunteer bartender training.

Social

Getting people together is probably the most rewarding value of the club. Leschi sailors get together at the BluWater and at club-organized barbeques after racing. Our Shilshole clubhouse is open to all members Thursdays and Fridays year-round and after evening and weekend racing (over 100 nights a year). The bar is often run by volunteers and our \$5 dinners are expertly prepared by our private chef. Sometimes we're just open to hang out and other times we have a program, like live music, wine tastings, art shows, and sailing presentations by our members. Check the website calendar and join in.

Race Registration

Registration

Online race registration is available at www.cycseattle.org.

Deadlines

Please register as early as possible to help build your fleet. Registrations must be submitted online or received at the club by close of business (normally 5 PM) on the entry deadline. The deadline is stated in the Notice of Race and is typically the two days before the event. Registrations accepted at the discretion of the race committee after the deadline may be assessed a \$20 late fee.

Member Discount Packages

Various discount packages are available for members only (Adult/Family, Senior, Honorary Life, and Junior), as follows:

Lake Season's Pass (+ Sound Weekends). Good for all CYC races on Lake Washington, which includes the Spring, Interim, Summer, and Fall Evening series for either Tuesday or Wednesday night, plus the Lake Fall Regatta, plus all CYC Puget Sound weekend races. This is for you if you sail the weeknights, and you will achieve even more substantial discounts when you sail more. Your efforts to sail multiple venues are greatly appreciated by your fellow members!

Sound Season's Pass. Good for all CYC races on Puget Sound, which includes the Spring, Interim, Summer, and Fall Evening series for either Wednesday or Thursday night, plus all CYC Puget Sound weekend races. This is usually very worthwhile if you sail five or more events, such as the four weeknight series and one weekend, or three weeknight series and two weekends. Add even more sailing for no extra charge!

Packages are for a given owner and boat or, if you happen to change boats mid-season, for a type of boat that would continue to use the same package. For unique circumstances, contact the Fleet Captain Race.

Eligibility: Open for CYC Adult/Family, Senior, Honorary Life, and Junior members. Prospective members may race in these series for up to 12 months.

Classes:

Tuesdays:	J/24
Wednesdays:	Thistle, San Juan 24, Thunderbird, and other small keelboat and centerboard classes with at least five boats may apply.

Location: Lake Washington off Leschi.

Schedule:

1715 – 1745	Practice starts (when available)
1800	First warning signal

The race committee intends to conclude racing no later than a time that will permit boats to return to Leschi Marina before dark.

Course: Courses will typically be windward / leeward and may include gates, offsets, and gybe marks. A target of at least two and up to four races may be sailed each day with a typical race duration of 20 to 60 minutes.

Scoring: A boat's series score will be the total of her race scores, except that a boat's worst score will be excluded if at least four races are completed, two scores will be excluded if at least seven races are completed, and three scores will be excluded if at least ten races are completed. This changes RRS A2. One race will constitute a series.

Time Limit: 90 minutes for the first boat in class and for other boats 30 minutes after the first boat that sails the course.

Other Provisions:

- Notice of Race amended by CYC Notice of Race Addendum.

Awards: 1st, 2nd, and 3rd in class for each series.

Registration Fee: \$150 per series (members, see Member Discount Packages)

Registration Deadline: Monday before the start of each series.

Notices of Race – Puget Sound

Notice of Race Center Sound Series

The Center Sound Series is a series of the following events:

Blakely Rock Race	March 7, 2015 (Saturday)
Scatchet Head Race	March 14, 2015 (Saturday)
Three Tree Point Race	March 28, 2015 (Saturday)

Classes: PHRF-NW and IRC. Other classes of at least five boats may apply. Monohull, multihull, and casual class boats will race in separate classes.

Scoring: Boats will be scored in class and overall. A boat's series score will be the total of her race scores with no scores excluded. This changes RRS A2. One race will constitute a series.

Other Provisions:

- Notice of Race amended by CYC Notice of Race Addendum.

Awards:

Each Race: 1st, 2nd, and 3rd in class.

Series: 1st overall per course and 1st, 2nd, 3rd in class.

Permanent Trophies: Permanent trophies will be awarded at the CYC Annual Party for race classes overall by race and racing classes series overall (Werner Ohmes Fog Horn Trophy). The Werner Ohmes Fog Horn Trophy is awarded to the boat with the highest score calculated as follows: A boat's score for a race is $100(N + 1 - P)/(N + 1)$ points, where P is her place in her class in that race and N is the number of starters in her class in that race; a boat that does not finish scores $(66)/(N + 1)$ points, a disqualified boat scores $(33)/(N + 1)$ points, and a boat that does not start scores 0 points; a boat's series score is the sum of her score in all races in the series.

Registration Fee: \$150 for Center Sound Series (or \$60 per race). Boats that register per race will be scored in the series for the races entered. Members, see Member Discount Packages.

Registration Deadline: March 5, 2015 (Thursday)

Moorage: Guest moorage is available at Shilshole Bay Marina. To make arrangements, call the marina office at VHF 17, 206-787-3006, or 206-601-4089 (after hours). Moorage fees are based on boat length and services.

For more information, see the Notices of Race for each race in the series.

Appendix

CYC Notice of Race Addendum

The CYC Notice of Race Addendum is common language that a particular Notice of Race may specifically incorporate.

The organizing authority is the Corinthian Yacht Club of Seattle (CYC).

1 Rules

- 1.1 This regatta will be governed by the rules as defined in the Racing Rules of Sailing (RRS).
- 1.2 US Sailing prescriptions to the following rules apply: RRS 34, 40, 48.1, 56, 60, 61.4, 63.2, 63.4, 64.3(b), 67, 70.5(a), 76.1, 82, 86.3, 88.2, Appendix G and R. Inclusion of additional US Sailing prescriptions may be noted elsewhere in the Notice of Race or Sailing Instructions. US Sailing prescriptions are available at www.ussailing.org.
- 1.3 Other changes to the rules may be noted elsewhere in the Notice of Race or Sailing Instructions. If the Notice of Race and Sailing Instructions are in conflict, the Sailing Instructions have precedence.
- 1.4 Prior to the publication of the Sailing Instructions, changes to the Notice of Race will be available on the CYC website at www.cycseattle.org. After the publication of the Sailing Instructions, changes to the Notice of Race will be available on the official notice board described in the Sailing Instructions.

2 Eligibility and Entry

- 2.1 Entrants must register online at www.cycseattle.org, or by form delivered to CYC, and pay appropriate fees by the registration deadline. Registration after the deadline may be accepted at the discretion of the organizing authority and may require an additional late fee.
- 2.2 Boats must be insured with valid third-party liability insurance with coverage of at least \$300,000 per incident.
- 2.3 A boat wishing to use sails with identification different from her own must receive permission from the organizing authority by the registration deadline or when her late registration is accepted. This changes RRS 77.
- 2.4 A boat racing in a handicap class must ensure that her correct rating is issued and recorded by the class organization by the registration deadline or when her late registration is accepted. Boats participating without a valid class certificate will not be entered or scored and her entry fee may not be refunded. A change in a boat's handicap class rating will take effect on the day it is recorded by the class organization. Changes are not retroactive. When a boat's rating changes between races that are part of a series, the boat remains in the same class in which she started the series.
- 2.5 A boat rated by her handicap class in consideration of water ballast may use water ballast as rated. This changes RRS 51.

3 Operating and Equipment Requirements

- 3.1 Sailing is an activity that has an inherent risk of damage and injury. Competitors in this event are participating entirely at their own risk. See RRS 4, Decision to Race. The responsibility for a boat's decision to participate in a race or to continue racing is hers alone. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.
- 3.2 For centerboard boats, competitors must wear personal floatation devices, as in RRS 40, and, for regattas November through March, must also wear a wetsuit or drysuit. These requirements apply while on the water except briefly while changing or adjusting clothing or personal equipment.
- 3.3 Boats designated in the applicable Notice of Race must comply with the equipment requirements of *US Sailing US Safety Equipment Requirements* (USSER), according to the category requirement identified, if any, in the Notice of Race. The text of these regulations is available from the US Sailing website at offshore.ussailing.org. The following changes apply to USSER Nearshore:
 - (a) USSER 2.4 required, except for boats under 9 meters or boats under 12 meters with crew position inboard except briefly to perform a necessary task. For boats that do not meet USSER 2.4, crew must wear personal floatation devices, as in RRS 40, while on the water except briefly while changing or adjusting clothing or personal equipment.
 - (b) USSER 2.7.2 required.
 - (c) USSER 3.7.2 required, "a man overboard pole and flag, with a lifebuoy" changed to "a lifebuoy", light required from sunset to sunrise.
 - (d) USSER 3.8.2 may be satisfied by USSER 3.8.1. USSER 3.8.1 "a masthead antenna" changed to "an antenna".
 - (e) USSER 3.22 required.
 - (f) USSER 3.26 required.
- 3.4 Keelboats must comply with safety regulations identified in US Coast Guard publication *A Boater's Guide to the Federal Requirements for Recreational Boats*, available at www.uscgboating.org/fedreqs/default.html, concerning life jackets (33 CFR 175 Subpart B), visual distress signals (33 CFR 175 Subpart C), fire extinguishers (46 CFR 25.30), sound producing devices (33 CFR 83 Subpart D), and navigation lights (33 CFR 83 Subpart C).
- 3.5 The race committee may inspect a boat or equipment at any time before or after racing for compliance with requirements.
- 3.6 Penalties under CYC Notice of Race Addendum 3 may be less than disqualification. This changes RRS 64.1.

4 Scoring

- 4.1 The time limit is the maximum allowable time from a boat's starting signal to her finish time or a time of day. A boat that does not finish within the time limit will be scored Did Not Finish (DNF). This changes RRS 35.
- 4.2 A boat that did not start (OCS), did not finish (DNF), retired (RET), or is disqualified (DSQ, DNE, DGM, BFD) will be scored the number of finishers plus one. A boat that did not start (DNC, DNS) will be scored the number of finishers plus two. This changes RRS A4.2. RRS A9 is deleted.
- 4.3 Corrected times for PHRF-NW handicap classes will be calculated using the Time on Distance method.

5 Sailing Instructions

- 5.1 Sailing Instructions will be available two days before the regatta on the CYC website at www.cycseattle.org or, if not available on the website, on the notice board at the CYC clubhouse.

Puget Sound Sailboat Safety Regulations

2014 Revision as adopted by Shilshole Bay Yacht Club, Sloop Tavern Yacht Club, Corinthian Yacht Club of Seattle, and Seattle Yacht Club

We must share Puget Sound with its commercial traffic, including many deep-water vessels and tows. It is sobering to note that, if your boat is one mile dead-ahead of a freighter coming down the Sound at normal speed, and the freighter's helm is put hard over to avoid you, the freighter's bow will miss you, but her stern will not! Obviously, this implies that early and decisive action is required to keep your boat out of the path of a large oncoming vessel or tow. The requirements of this document may be incorporated into an event by reference in a notice of race.

1. Yachts must not sail across a tow line, too close ahead, or too close alongside of commercial traffic. Deep water vessels have limited ability to change course and speed. Barges under tow can yaw unexpectedly well out to the side at speeds essentially the same as they are being towed. Yachts should not pass less than one mile ahead and 1/4 mile to the side of large vessels.
2. Rule 10 of the International and Inland Rules to Prevent Collisions at Sea (COLREGS) requires that no power-driven vessel less than 20 meters (66 feet) in length, and no sailing vessel (of any size) may impede the safe passage of a power-driven vessel following a Vessel Traffic System (VTS) Lane.
3. Rule 9 of the COLREGS requires that no power vessel of less than 20 meters (66 feet) in length and no sailing vessel (of any length) shall impede the safe passage of any vessel which can navigate only within a narrow channel or fairway. Puget Sound can be considered a "narrow channel" for most large commercial traffic. "Impede" means to cause to alter speed or course or to take evasive action.
4. A yacht in position where it may impede commercial traffic must exit from the "danger area" immediately, under auxiliary power if necessary. If power is used, it must be reported to the Race Committee at the finish line. Also, a written report must be made on a protest form, showing the location, time, duration of power use, speed, direction of exit, and that the competitive position of the yacht was not improved. If the last item cannot be demonstrated adequately, a time penalty may be imposed.
5. Navigation lights must be shown between sunset and sunrise as required by the International Rules of the Road.
6. Observed and/or reported violations of the safety regulations may be protested. The Race Committee shall have the option of issuing a "warning" when deemed appropriate. Warnings are recorded and may be considered when judging any future reports.

US Coast Guard Warning

The following information was provided by the US Coast Guard.

Do not approach within 100 yards of any Navy Vessel, Washington State Ferry, or Ship. If you need to pass within 100 yards of these vessels in order to ensure a safe passage in accordance with the Navigation Rules, you must contact the ship on VHF-FM channel 16 or 13. (33 CFR 165.2030, 165.1317, 165.1313)

You must operate at minimum speed within 500 yards of any of these vessel types.

Violations of these Security Zones are a felony offense, punishable by up to 6 years in prison and/or up to \$250,000 in fines.

Buoy Course Marks (relative positions)

This is a typical configuration. Please note that the Sailing Instructions for a particular regatta may use modified or different mark descriptions.

The course diagram for buoy course marks shows the general orientation of the race committee signal boat ("R/C"), other marks (identified by the letters S, A, B, C, G, X, Y, Z and F), and the intended wind direction. All buoy course marks other than the race committee signal boat are inflatable buoys. Positions are approximate and the diagram is not to scale.

Notes:

- S When a starting mark for a downwind start, may be on either side of the race committee signal boat.

Puget Sound Geographic Marks (fixed positions)

Bearings are magnetic. Distances are nautical miles (NM). Bearings, distances, and positions are approximate. Each temporary mark is shown with its label in a circle. Each permanent mark is near its label in a square box.

- D Duwamish Head Lt. (LL #16910)
- H Temporary mark 0.3 NM E of Skiff Pt.

Because you love sailing, please consider joining the Corinthian Yacht Club of Seattle. We need all the people who enjoy the club to sign up and be a part of supporting our community through our organization. Many of our members continue to be members of other clubs, each supporting our sport in their own way. Even if you don't happen to own a boat, you can own our yacht club and claim your equal stake and influence in supporting our sailing way of life through the club. The Adult/Family membership is just \$35 a month. Please talk with your friends who are members about joining.
